Membership Renewal

Membership Renewal forms were recently mailed. If you have questions, please don't hesitate to contact the administrative office. Given the date that the forms were received, the suggested "due date" of July 31st isn't possible for most people; however, we appreciate your prompt response.

Please note, if you opt to make a payment through Chaverweb, the form must still be returned to the administrative office.

Thank you for your continued support of KI!

Gift of Membership

Share your love for Kenesseth Israel by giving the Gift of Membership! The program has been extended through December 31st, 2014. Contact Lindsay DeMarco in the administrative office for more information.

Parking Lot Reminder

As of August 1st, we received more than \$32,000 from 354 congregants to support the repair of the KI parking lot. Thank you to those who have responded! This result is very encouraging, but we still need to reach our \$60,000 goal to complete this crucial work.

If you have not yet given, please send in your minimum \$75 assessment as soon as possible. Many congregants have contributed significantly more than this, and we are truly thankful. The summer is moving quickly; we must get on the contractor's schedule to complete a large part of this work by the start of the High Holidays in late September.

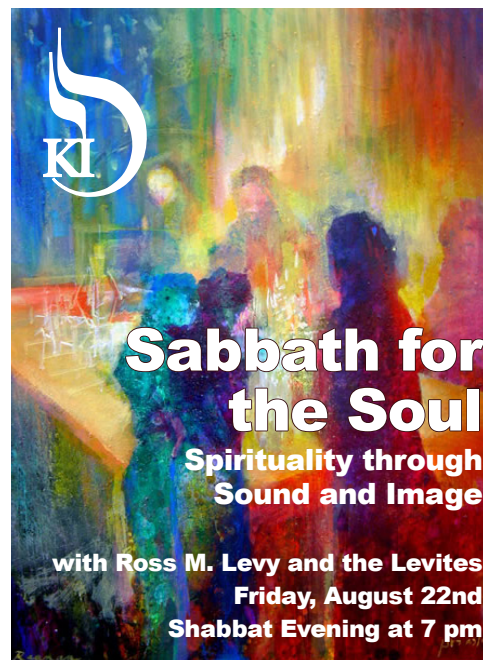

Thank you again for your support.

Selichot

"Let it Go: Anger, Love and Forgiveness in Judaism and Modern Psychology"

There will be an 8:00 PM dessert reception followed by our Selichot service, which will feature a panel of psychologists who will share their thoughts and feelings on anger, love and forgiveness in Judaism and modern psychology.

Following the discussion panel will be a moving Selichot service with melodies of the holy days that will open your heart to the season of forgiveness.

Chaverweb

Don't forget you can make contributions, register for JQuest and pay bills using Chaverweb.
